QUICK NOTES

The Warriors look to extend their season-high winning streak to five games and match their longest home winning streak of the season (five, 10/23-11/9) but without Jimmy Butler III who suffered a right knee ACL tear in last night's game vs. the Heat. Butler III exited the game with 7:41 left in the third quarter and did not return. This is the first time this season the Warriors are six games over .500. The Warriors have won 12 of their last 16 games, including six of the last seven. At home, Golden State has won 10 of the last 12 and is 6-1 on its current franchise-record-tying eight-game homestand. With a win tonight vs. the Raptors the Warriors would match their best record in an eight-game homestand in franchise history (7-1, in 2021-22).

The Warriors conclude their eight-game homestand tonight against the Raptors, their fourth consecutive Eastern Conference team. This is the second of two meetings; the Raptors won the first meeting, 141-127, in overtime on December 28 at Toronto. The two teams have alternated wins in the last six meetings. The Warriors have won 17 of the last 20 regular season meetings against the Raptors in the Bay Area, including four of the last five.

Tonight's game vs. the Raptors concludes the Warriors' ninth set of back-to-backs. The Warriors are 5-3 in the second game of back-to-backs. Golden State has swept two sets of back-to-backs and split six this season. This is the third of four home-home back-to-back sets this season. The Warriors split the last home-home B2B set and swept the first one this season.

This is the 10th contest in a stretch in which the Warriors play 10 of 11 games at home and never leave the state (the lone road game was on 1/5 at the Clippers) from January 2 to 20. Tonight's game also is the eighth game in the Warriors' eight-game homestand (Warriors currently 6-1), tied for longest in franchise history (fourth time). According to the Elias Sports Bureau, it's the fourth time the Warriors have played eight consecutive games at home (1/24/11 – 2/9/11, 10/28/21 – 11/12/21, 12/25/22 – 1/10/23, 1/7/26 – 1/20/26). The last time the Warriors had 10 of 11 games at home was 12/19/23 to 1/10/24, according to the Elias Sports Bureau. The last time the Warriors played 11 consecutive games without leaving the state was 1/7/11 to 2/9/11 when they had 16 consecutive games without leaving California.

In the month of January the Warriors have 11 home games, one shy of the franchise record of 12 home games played in a single month (November 2006 and March 2016). The last time Golden State played 11-or-more home games in a single month was last season when they had 11 games in January 2025. The most home games an NBA team plays in a single month during the 2025-26 regular season is 11, Golden State and Philadelphia, both in the month of January.

In each of the last four games (1/13 vs. Portland, 1/15 vs. New York, 1/17 vs. Charlotte, 1/19 vs. Miami), the Warriors had nine players make at least one 3-pointer matching an NBA record held by Oklahoma City (four straight, 2/2-2/10/24), according to the Elias Sports Bureau.

In three consecutive games (1/13 vs. Portland, 1/15 vs. New York, 1/17 vs. Charlotte), the Warriors had 10 players make at least one 3-pointer, becoming the first team with a three-game streak of that kind since the 3-point line was introduced in 1979-80, according to the Elias Sports Bureau.

The Warriors have made 20-or-more 3-pointers in each of the last four games, matching an NBA record (Cleveland, 12/20-12/27/24 and Boston, 3/12-3/18/24).

CURRY AN ALL-STAR STARTER AGAIN

January 19, 2026 - Stephen Curry was named a starter in the 75th NBA All-Star Game. It marks Curry's 12th career NBA All-Star nod (11th start), the most All-Star selections in Warriors franchise history, making him one of just 17 players in NBA history to make 12 All-Star appearances with a single franchise. The 2026 NBA All-Star Game will take place on Sunday, Feb. 15, at Intuit Dome in Los Angeles.

In the 2025 NBA All-Star Game at Chase Center in San Francisco, Curry was named the 2025 Kia NBA All-Star Game Kobe Bryant Most Valuable Player, becoming just the fourth player in NBA history to have won two NBA All-Star MVPs, two regular season MVPs and an NBA Finals MVP, along with LeBron James, Magic Johnson and Michael Jordan. Curry is one of only 15 players to win multiple NBA All-Star Game MVPs and the first in Warriors history to do so.

Curry, who has been voted a starter in 11 of his 12 All-Star selections, has been a part of NBA All-Star Weekend festivities in 13 of the previous 14 campaigns. Curry is the NBA All-Star Game's all-time leader in 3-point field goals (57) and ranks 10th on the all-time NBA All-Star Game scoring list (216 career points). Curry owns career averages of 19.6 points, 5.5 rebounds, 5.1 assists, 1.27 steals and 25.0 minutes in his 11 appearances in the All-Star Game (missed the 2023 game due to injury). He was previously named the 2022 All-Star Game Most Valuable Player after scoring a career-high 50 points and hitting an All-Star record 16 3-point field goals in Cleveland.

During All-Star 2024, Curry also competed in "Stephen vs. Sabrina," the first-ever NBA vs. WNBA 3-Point Challenge. He has previously participated in the 3-Point Contest seven times (2010, 2013-16, 2019, 2021)—winning the event in 2015 and 2021—in addition to the Shooting Stars Competition (2014 & 2015), the Rising Stars Challenge (2010 & 2011) and the Skills Challenge (won the event in 2011).

WITHOUT STEPH

This season, the Warriors have a 4-6 record in games **Stephen Curry** has missed (11/5 at SAC, 11/7 at DEN, 11/9 vs. IND, 11/19 at MIA, 11/29 vs. NOP, 12/2 vs. OKC, 12/4 at PHI, 12/6 at CLE, 12/7 at CHI, 1/2 vs. OKC). Wins: 11/9, 11/29, 12/6, 12/7.

Curry missed five consecutive games (November 29 to December 7) due to a left quadriceps contusion suffered on November 26, 2025 vs. Houston (Warriors 3-2 in those games). He exited the game with 35.2 seconds remaining in the fourth quarter. An MRI confirmed a quadriceps contusion and muscle strain.

On 1/2 vs. Oklahoma City, for the fourth time (all this season), the Warriors played without Curry (left ankle sprain), **Draymond Green** (rest) and **Jimmy Butler III** (illness), falling to 1-3 in those games. The Warriors' win at Cleveland (12/6) marked the first time Golden State won a game in which Curry, Green and Butler III did not play in. The other two games the trio did not play in was on 11/5 at Sacramento and 11/19 at Miami.

40 FOR 30

On December 14 at Portland, **Stephen Curry** scored a game-high and season-high 48 points, one shy of his season high and his 75th 40-point game of his career. According to the Elias Sports Bureau, there have been over 40 brother combinations that have played on the same team all time, but this is the first time in Warriors franchise history that this has happened. This season, the only brothers to have played in at least one game this season on the same team is the Bucks - **Giannis** and **Thanasis** Antetokounmpo (**Alex** is also on the Bucks roster but has yet to play).

SELLOUT STREAK

The Warriors now have the second-longest active home sellout streak, trailing only Miami. This season, Dallas had its sellout streak, the longest in league history, end at 1,005 games when the October 29 game vs. Indiana was not a sellout.

The Warriors' franchise-record home sellout streak, the sixth-longest in NBA history, is at 588 consecutive games (23 sellouts in 2025-26), regular season, play-in and playoffs. Entering the 2025-26 season, the Warriors had sold out 565 consecutive home games. The Warriors' current sellout streak ranks second among active streaks trailing only Miami (entered 2025-26 at 642).

The 2024-25 season was the 10th consecutive 82-game NBA season in which the Warriors sold out all of the team's 41 regular season home games. The current sellout streak only includes games which allowed a full-capacity crowd (18,064 at Chase Center). Following the 2024-25 regular season, the Warriors have sold out one play-in tournament game and four playoff games.
