2024-25 WIZARDS OFF-COURT STORYLINES

MAKING A STATEMENT AND BREAKING BOUNDARIES

The Wizards unveiled their new Statement Edition uniform for the 2024-25 season which is inspired by the Washington, D.C. flag and embodies what makes D.C. unique.

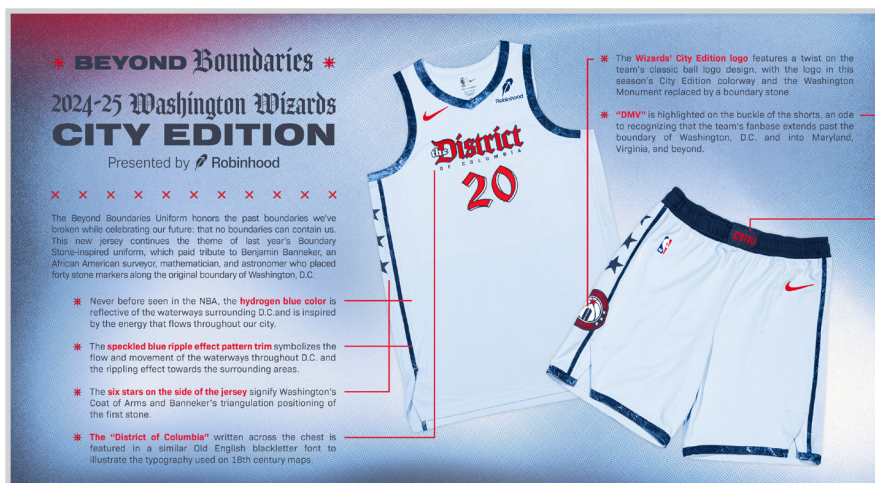

The jersey highlights include the Washington, D.C., flag constructed into both the jersey and the shorts with the phrasing “The District of Columbia” marking the front of the jersey. Additionally, the Washington Monument logo is featured on the left leg of the shorts while an asymmetrical Washington, D.C., flag is applied to the right short leg.

Additionally, the Washington Wizards recently unveiled their City Edition uniform which will debut on Dec. 5, when the team hosts the Dallas Mavericks.

This new jersey continues the theme of last year's Boundary Stone-inspired uniform, which paid tribute to Benjamin Banneker, an African American surveyor, mathematician, and astronomer who placed forty stone markers along the original boundary of Washington, D.C. The uniform features a hydrogen blue base, accented with blue and red, and a blue ripple effect on the trim, reflecting the waterways surrounding our city. The hydrogen blue color, inspired by the energy that flows throughout our city, has never appeared on an NBA uniform before.

The uniform also features six blue stars on the side of the jersey. Three of these stars signify Washington's Coat of Arms and the remaining three are a tribute to Banneker's triangulation positioning of the first stone. The red found in the Beyond Boundaries jersey represent the current Wizards jerseys. The team will also unveil a City Edition thematic court which will be used concurrently with the team's City Edition jersey games.
