ALL THAT JAZZ

THE VET LEADING BY EXAMPLE

• Jusuf Nurkic three consecutive triple doubles, over the span of three games (1/20-1/24) posting 17 points (8-of-13 FG), 12 assists and 10 rebounds on Jan. 14th, grabbing a season-high 18 rebounds, scoring 16 points and dishing 10 assists on the 20th, while scoring 17 points, a career-high 14 assists and grabbing 11 boards on the 22nd. During the span, he averaged 16.7 points (51.2% FG), 13.0 rebounds and 12.0 assists, in 32.3 minutes of play. Having a three-game streak of triple doubles, marked the first instance in Jazz history for a player to record a three-game streak of triple doubles, while also being the third player this season to record such a streak (Jalen Johnson and Nikola Jokic). Recording a back-to-back triple double, marked the first time in Jazz history a player has done so, since Pete Maravich in the 1974-75 season, while dishing 14 assists during the streak, is the most by a center in franchise history (Kelly Olynyk, 13 assists at Sacramento on Dec. 16, 2023). Nurkic joins Nikola Jokic as the only other center to record three consecutive triple doubles this season, while being the fourth center in NBA history to have such a streak.

SENS-ING THE MUSIC

• Brice Sensabaugh had a historic night on Jan. 14, at Chicago, opening the game with 21 points on 8-of-9 shooting (3-of-3 3FG, 2-for-2 FT) coming off the bench, in just seven minutes of action. Recording 21 points in the first quarter, marked the most points scored in the opening quarter in franchise history (Deron Williams on 2/27/10 vs. Houston, 20 points), while doing so in only seven minutes and 14 seconds, was the most points scored in the first quarter, in NBA history, in the least amount of playing time (Lance Stephenson on 1/5/22 vs. Nets, 6 minutes/20 points). Ending the game with a career-high 43 points, marked the second-most points coming off the bench in franchise history.

2025-26 COMMUNITY HIGHLIGHTS

COMMUNITY OBSESSED

We embrace our role as stewards within the community and are committed to providing impactful, world-class experiences that engender loyalty to the Utah Jazz.

MAIN SEASON INITIATIVES

Throughout the season, the Utah Jazz will highlight various community initiatives, such as Military Appreciation, MLK Jr. Day, Black History Month, and Women's History Month. Each initiative will have unique activations in the community and at Delta Center.

In a nod to their shared commitment to community, the Jazz, Clyde Companies, Layton Construction, and LVT reconstructed and updated two basketball courts, located at Windsor Park in Orem and Memorial Park in Springville. These new courts will be year-round resources for youth, families, community members, and visitors, sharing the mountain basketball mentality across the state.

The Utah Jazz are partnering with Gallagher to present the Special Olympics Utah Unified Tournament. The fifth annual tournament will bring in hundreds of athletes in an all-day basketball tournament for kids of all ages.

Utah Jazz Most Valuable Educator, presented by Instructure, invites the Utah community to nominate local educators, in either K-12 or Higher Ed, who are making an impact in their schools and communities by inspiring the lives of their students. Ten winning teachers across the state are recognized at a Jazz game along with a classroom visit from Jazz Bear, a personalized Jazz jersey, and \$1,000 grant to go towards their classroom.

Her Time is a Jazz community initiative, in partnership with Toyota, that supports girls and young women in sports. The program includes clinics and workshops to help girls feel confident and empowered to pursue lifelong participation in sports and to champion change for other women and girls.

JAZZ IN THE G LEAGUE

The NBA G League has served as a developmental tool for players and front office personnel alike since its inception in 2001. Several members of the Jazz coaching staff have spent time honing their skills in the G League, as displayed in the accompanying chart.

RICK HIGGINS ENTERS FIRST SEASON AS STARS HEAD COACH

- Former Jazz assistant coach (2023-2025) Rick Higgins enters his first season as the Head Coach of the Salt Lake City stars after serving two years on Coach Will Hardy's staff and spending three seasons as an assistant coach for the Houston Rockets (2020-23).
- The Stars finished the 2024-25 season third in the G League's Western Conference with a 21-13 record, with two-way Oscar Tshiebwe earning All-NBA G League First-Team honors.

WILL HARDY

Will Hardy, Utah Jazz Head Coach

Will Hardy enters his fourth season as head coach of the Utah Jazz. Hardy joined the Jazz after one season as assistant coach with the Boston Celtics where he helped lead the team to their first NBA Finals appearance since 2010. Prior to his time in Boston, Hardy spent a total of 11 seasons with the Spurs, five as an assistant coach. He served as the team's video coordinator from 2013-15 and as the head coach of the Spurs' summer league team in Utah from 2015-18 and in Las Vegas in 2017 and 2018.

The Williams College graduate began his career in San Antonio as a basketball operations intern in 2010 before being promoted to assistant video coordinator in 2011. He was an assistant coach for Team USA's gold medal victory over France at the 2020 Summer Olympics and served on the coaching staff for Team USA at the 2019 FIBA World Cup.

While at Williams College, Hardy was a member of the Ephs basketball squad that finished 30-2 and second nationally in 2010. The Richmond, Virginia, native has two daughters, Elliott and Pierce.

COLLEGIATE TIES

Hardy competed collegiately at Williams College (2006-10)—a small Division III liberal arts school located in Williamstown, Massachusetts. His relationship with the former Williams Athletic Director, Curtis Long, helped him land an internship with Gregg Popovich and the San Antonio Spurs.

During his time at Williams, Hardy's affinity towards coaching and natural ability was easily recognizable. Long saw his potential, and when Popovich—Long's friend and former Pomona-Pitzer College teammate—reached out, Long immediately recommended Hardy to join his staff.
