QUICK NOTES

Tonight at Phoenix, the Warriors look to end a two-game skid after suffering home losses to Detroit and Philadelphia. The Warriors have won two of their last three road games.

The Warriors have not won a regular season series against the Suns since the 2018-19 season (3-1). At Phoenix, the Suns have won six of the last seven matchups versus the Warriors. The last two meetings have been decided by three or fewer points.

Following tonight's game at Phoenix, the Warriors travel to Los Angeles to face the Lakers on Saturday. After the Lakers game the Warriors have two straight home games (Memphis on Monday and San Antonio on Wednesday) before heading into NBA All-Star Weekend. **Stephen Curry** is making his 11th start and 12th All-Star appearance in his career, both franchise records.

The Warriors have lost five of their last seven games (0-3 home, 2-4 road), coinciding with **Jimmy Butler III's** season-ending injury.

Stephen Curry is tied with Cleveland's **Donovan Mitchell** for the most 3-pointers made this season, at 175. Curry leads the NBA in 3-pointers made per game at 4.5; second Mitchell at 3.8.

Golden State Warriors forward **Jimmy Butler III** will miss the remainder of the 2025-26 season with a torn right anterior cruciate ligament (ACL), the team announced on January 20. Butler III suffered the injury with 7:41 remaining in the third quarter of the January 19th game vs. the Miami Heat, a 135-112 win. He will undergo surgery at a to-be-determined date.

Butler III appeared in 38 games (all starts) this season, averaging 20.0 points, 5.6 rebounds, 4.9 assists and 1.5 steals in 31.1 minutes per game. He was originally selected by the Bulls with the 30th overall pick in the 2011 Draft after a three-year collegiate career at Marquette University.

TRAYCE JACKSON-DAVIS MAKES FIRST CAREER NBA 3-POINTER

On January 19 vs. Miami, with 0.7 seconds left in the fourth quarter, **Trayce Jackson-Davis** made his first career NBA 3-pointer, a 48-foot attempt. According to the Elias Sports Bureau, it was the farthest distance for a first career 3-pointer by a Warriors player since 1997-98, the first season play-by-play was officially recorded. CURRY AN ALL-STAR STARTER AGAIN

January 19, 2026 - Stephen Curry was named a starter in the 75th NBA All-Star Game. It marks Curry's 12th career NBA All-Star nod (11th start), the most All-Star selections in Warriors franchise history, making him one of just 17 players in NBA history to make 12 All-Star appearances with a single franchise. The 2026 NBA All-Star Game will take place on Sunday, Feb. 15, at Intuit Dome in Los Angeles.

In the 2025 NBA All-Star Game at Chase Center in San Francisco, Curry was named the 2025 Kia NBA All-Star Game Kobe Bryant Most Valuable Player, becoming just the fourth player in NBA history to have won two NBA All-Star MVPs, two regular season MVPs and an NBA Finals MVP, along with LeBron James, Magic Johnson and Michael Jordan. Curry is one of only 15 players to win multiple NBA All-Star Game MVPs and the first in Warriors history to do so.

Curry, who has been voted a starter in 11 of his 12 All-Star selections, has been a part of NBA All-Star Weekend festivities in 13 of the previous 14 campaigns. Curry is the NBA All-Star Game's all-time leader in 3-point field goals (57) and ranks 10th on the all-time NBA All-Star Game scoring list (216 career points). Curry owns career averages of 19.6 points, 5.5 rebounds, 5.1 assists, 1.27 steals and 25.0 minutes in his 11 appearances in the All-Star Game (missed the 2023 game due to injury). He was previously named the 2022 All-Star Game Most Valuable Player after scoring a career-high 50 points and hitting an All-Star record 16 3-point field goals in Cleveland.

During All-Star 2024, Curry also competed in "Stephen vs. Sabrina," the first-ever NBA vs. WNBA 3-Point Challenge. He has previously participated in the 3-Point Contest seven times (2010, 2013-16, 2019, 2021)—winning the event in 2015 and 2021—in addition to the Shooting Stars Competition (2014 & 2015), the Rising Stars Challenge (2010 & 2011) and the Skills Challenge (won the event in 2011).

40 FOR 30

On December 14 at Portland, **Stephen Curry** scored a game-high and season-high 48 points, one shy of his season high and his 75th 40-point game of his career. After turning 30 years old, Curry's 45 40-point games the most in NBA history, passing **Michael Jordan** (44). After turning 35 years old, Curry's 14 40-point games trails only **LeBron James** (15). Curry scored 46 points on 11/12 at San Antonio, marking the first time since 2022-23 he had two straight 40-point games (11/7/22 vs. SAC, 47 and 11/11/22 vs. CLE, 40).

On December 12 vs. Minnesota, **Stephen Curry** scored a game-high 39 points, the 94th time in his career he has scored 35 points or more since turning 30 years old, most in NBA history. Curry broke a tie with **Michael Jordan** (93). Currently, Curry has 97 35-point games after turning 30.

THE CURRY BROTHERS

With the Warriors signing **Seth Curry** on December 1, the Curry brothers are together on a regular season NBA roster for the first time in their careers. According to the Elias Sports Bureau, there have been over 40 brother combinations that have played on the same team all time, but this is the first time in Warriors franchise history that this has happened. This season, the only brothers to have played in at least one game this season on the same team is the Bucks - **Giannis** and **Thanasis** Antetokounmpo (**Alex** is also on the Bucks roster but has yet to play).

BACK-TO-BACKS

This season, Golden State has 16 sets of back-to-back games after having 14 last season. The Warriors are 6-4 in the first game of back-to-backs and 5-5 in the second game of back-to-backs this season. Golden State has swept two sets of back-to-backs, split seven and have been swept once in 2025-26. Of the 16 sets of back-to-backs, four are of the home-home variety, eight are on the road, three home-road sets and one road-home set. One of the back-to-back sets was created due to the January 24th game at Minnesota getting postponed. In 2024-25, the Warriors swept four sets of back-to-backs, split nine and were swept once., 9-5 in the first game and 8-6 in the second game.

Because the January 24th game at Minnesota was postponed and rescheduled to January 25, it created the Warriors' 10th set of back-to-backs this season and they are now scheduled for 16 sets this season, tied for the second-most with Charlotte, Denver, Philadelphia, Phoenix and Washington (Miami is first with 17 back-to-backs in 2025-26). The 16 sets would be the most for the Warriors since 2023-24 when they had 17. According to the Elias Sports Bureau, since 2000, the consecutive games at Minnesota on January 25 and 26 was the eighth instance of Golden State playing consecutive regular season games on consecutive days against the same opponent - the previous time was on October 29-30, 2024 vs. New Orleans. The last time it happened on the road was also against the Pelicans, on May 3-4, 2021 at New Orleans.

SELLOUT STREAK

The Warriors now have the second-longest active home sellout streak, trailing only Miami. This season, Dallas had its sellout streak, the longest in league history, end at 1,005 games when the October 29 game vs. Indiana was not a sellout.

The Warriors' franchise-record home sellout streak, the sixth-longest in NBA history, is at 591 consecutive games (26 sellouts in 2025-26), regular season, play-in and playoffs. Entering the 2025-26 season, the Warriors had sold out 565 consecutive home games. The Warriors' current sellout streak ranks second among active streaks trailing only Miami (entered 2025-26 at 642).

The 2024-25 season was the 10th consecutive 82-game NBA season in which the Warriors sold out all of the team's 41 regular season home games. The current sellout streak only includes games which allowed a full-capacity crowd (18,064 at Chase Center). Following the 2024-25 regular season, the Warriors have sold out one play-in tournament game and four playoff games.

JANUARY HOMESTAND

The Warriors finished a stretch in which they played 10 of 11 games at home and never left the state from January 2 to 20 (the lone road game was on 1/5 at the Clippers). Golden State completed the eight-game homestand, tied for longest in franchise history (fourth time), with a 6-2 record. According to the Elias Sports Bureau, it was the fourth time the Warriors played eight consecutive games at home (1/24/11 – 2/9/11, 10/28/21 – 11/12/21, 12/25/22 – 1/10/23, 1/7/26 – 1/20/26). Prior to this season, the last time the Warriors had 10 of 11 games at home was 12/19/23 to 1/10/24. The last time the Warriors played 11 consecutive games without leaving the state was 1/7/11 to 2/9/11 when they had 16 consecutive games without leaving California.

In the month of January the Warriors have 11 home games, one shy of the franchise record of 12 home games played in a single month (November 2006 and March 2016). The last time Golden State played 11-or-more home games in a single month was last season when they had 11 games in January 2025. The most home games an NBA team plays in a single month during the 2025-26 regular season is 11, Golden State and Philadelphia, both in the month of January.

WARRIORS-TIMBERWOLVES GAME POSTPONED

NEW YORK, Jan. 24, 2026 – The National Basketball Association game scheduled for today between the Golden State Warriors and Minnesota Timberwolves at Target Center has been postponed. The decision was made to prioritize the safety and security of the Minneapolis community.

The game has been rescheduled for January 25 at 5:30 p.m. ET at Target Center.

LET'S PLAY TWO

For the second time this season the Warriors played a "baseball series" (two games in a row, same opponent, same location) on January 25 and 26 at Minnesota. The Warriors' first baseball series of the season was on November 12 and 14 when the Warriors faced the Spurs in San Antonio, marking the first time Golden State had a road "baseball series" since May 3 and 4, 2021, against the Pelicans at New Orleans. The Warriors were the only team in the NBA to not have such a series in each of the last two seasons.

LATE START

On Tuesday, October 28, the Warriors hosted the Clippers at Chase Center with a tipoff time of 8:00 p.m. PT., the latest start time for a home game for the Warriors since April 24, 1999 vs. Denver (8 p.m. PST), according to the Elias Sports Bureau. The second time the Warriors had a game with an 8 p.m. start time was on December 2 vs. Oklahoma City. The third and final time this season was on January 13 vs. Portland.

FROM 3

In four consecutive games (1/13 vs. Portland, 1/15 vs. New York, 1/17 vs. Charlotte, 1/19 vs. Miami), the Warriors had nine players make at least one 3-pointer matching an NBA record held by Oklahoma City (four straight, 2/2-2/10/24), according to the Elias Sports Bureau.

In three consecutive games (1/13 vs. Portland, 1/15 vs. New York, 1/17 vs. Charlotte), the Warriors had 10 players make at least one 3-pointer, becoming the first team with a three-game streak of that kind since the 3-point line was introduced in 1979-80, according to the Elias Sports Bureau.

The Warriors made 20-or-more 3-pointers in four consecutive games (1/13-1/19/26), matching an NBA record (Cleveland, 12/20-12/27/24 and Boston, 3/12-3/18/24).
