The Warriors have a 6-7 in the first game of back-to-backs this season. The six consecutive road games are tied for the most consecutive road games this season (Nov. 11-19).

The March 20 & 21st games at Detroit and Atlanta, respectively, is the third of three sets of back-to-backs the Warriors have in a span of 13 days (3/9 & 3/10, 3/15 & 3/16 and 3/20 & 3/21). According to the Elias Sports Bureau, the last time the Warriors had three back-to-back sets in 13 days was during the 2021-22 season (3/22 & 3/23, 3/27 & 3/28 and 4/2 & 4/3).

Tonight's game concludes the season series between the Warriors and Pistons. Detroit won the first meeting, 131-124, on January 30 at Chase Center, which ended the Pistons' four-game losing streak to the Warriors. The Warriors have won eight of the last 11 meetings against the Pistons. In Detroit, the Warriors have won 10 of the last 13 matchups against the Pistons, including the last two.

In the last game at Boston, the Warriors deployed their 36th different starting lineup of the season. It was the 13th unique starting lineup in as many games, the second-longest such streak by a team this season (16, Memphis) and the longest for the Warriors since a 14-game streak in 2008-09 (2/18 to 3/19/09), according to the Elias Sports Bureau.

Six times in the last eight games, the Warriors have had a clutch game (games in which the score is five points or less and there is five-or-fewer minutes left in the game). Golden State is 13-18 overall and 8-12 on the road in clutch games this season.

On March 16, with the 125-117 win at Washington, Head Coach **Steve Kerr** earned his 600th career regular season coaching win, becoming the 28th NBA coach to reach the milestone and needing the fourth-fewest games (943) in NBA history, behind only **Phil Jackson** (805), **Pat Riley** (832) and **Gregg Popovich** (887). Kerr is the franchise's all-time leader in coaching victories after eclipsing Alvin Attles' 557 wins last season. Kerr is 13 wins behind **Mike Dunleavy Sr.** (613 coaching wins), ranked 27th on the NBA all-time coaching wins list. The night before, "All the Empty Rooms," a documentary film about the victims of school shootings, which Kerr served as an executive producer, won an Oscar. Kerr (2026) joined **Kobe Bryant** (2018), **Stephen Curry** (2022), **Shaquille O'Neal** (2022) as the only NBA players to have won an Oscar.

Stephen Curry has missed the last 19 games due to right patellofemoral pain syndrome. Curry last played on January 30 vs. Detroit. The Warriors are 10-20 this season without Curry in the lineup and 6-13 in this recent stretch. Following a recent re-evaluation, Curry will again be re-evaluated in 10 days (around March 21).

After **Jimmy Butler III** suffered a season-ending injury (right ACL tear) on January 19 vs. Miami, the Warriors have an 8-17 record (2-9 home, 6-8 road).

According to NBA.com, the Warriors are ranked second in 3-point makes (16.1) and first in 3-point attempts per game (45.2) and percentage of points from 3-pointers (41.9). Ranked third in assists (29.1), the Warriors lead the NBA in passes per game (341.4). Additionally, the Warriors are ranked second in steals per game (9.9 spg), tied with Toronto for fourth in forcing turnovers (16.0 tpg), tied with Boston for sixth in free throw percentage (80.5 FT%).

Including this season, the Warriors are 56-44 in regular season games since **Jimmy Butler III** made his Warriors debut on February 8, 2025 at Chicago. The Warriors, when **Stephen Curry**, **Draymond Green** and **Jimmy Butler III** are in the lineup, have a 40-17 overall in regular season (18-12 in 2025-26; 22-5 in 2024-25) and a 20-10 road record in the regular season (14-1 last season). Without the trio in the lineup, the Warriors are 2-6 all-time (all this season).

On 2/3 vs. Philadelphia, the Warriors went 1-of-2 from the free throw line, matching a franchise low for both free throws made and attempted, set on January 30, 2016 at Philadelphia.

WARRIORS & NBA RANKINGS

According to NBA.com, the Warriors are ranked second in 3-point makes (16.1) and first in 3-point attempts per game (45.2) and percentage of points from 3-pointers (41.9). Ranked third in assists (29.1), the Warriors lead the NBA in passes per game (341.4). Additionally, the Warriors are ranked second in steals per game (9.9 spg), tied with Toronto for fourth in forcing turnovers (16.0 tpg), tied with Boston for sixth in free throw percentage (80.5 FT%).

BACK-TO-BACKS

The March 20 & 21st games at Detroit and Atlanta, respectively, is the third of three sets of back-to-backs the Warriors have in a span of 13 days (3/9 & 3/10, 3/15 & 3/16 and 3/20 & 3/21). According to the Elias Sports Bureau, the last time the Warriors had three back-to-back sets in 13 days was during the 2021-22 season (3/22 & 3/23, 3/27 & 3/28 and 4/2 & 4/3).

This season, Golden State has 16 sets of back-to-back games after having 14 last season. The Warriors are 6-7 in the first game of back-to-backs and 7-6 in the second game of back-to-backs this season. Golden State has swept two sets of back-to-backs, split nine and have been swept twice in 2025-26. Of the 16 sets of back-to-backs, four are of the home-home variety, eight are on the road, three home-road sets and one road-home set. One of the back-to-back sets was created due to the January 24th game at Minnesota getting postponed. In 2024-25, the Warriors swept four sets of back-to-backs, split nine and were swept once., 9-5 in the first game and 8-6 in the second game.

Because the January 24th game at Minnesota was postponed and rescheduled to January 25, it created the Warriors' 10th set of back-to-backs this season and they are now scheduled for 16 sets this season, tied for the second-most with Charlotte, Denver, Philadelphia, Phoenix and Washington (Miami is first with 17 back-to-backs in 2025-26). The 16 sets would be the most for the Warriors since 2023-24 when they had 17. According to the Elias Sports Bureau, since 2000, the consecutive games at Minnesota on January 25 and 26 was the eighth instance of Golden State playing consecutive regular season games on consecutive days against the same opponent - the previous time was on October 29-30, 2024 vs. New Orleans. The last time it happened on the road was also against the Pelicans, on May 3-4, 2021 at New Orleans.

The last 19 games (February 3-March 16) Curry has missed are due to a right patellofemoral pain syndrome (Warriors are 6-13 in those games). On January 30 vs. Detroit, Curry exited the game with 4:08 left in the third quarter and did not return.

Curry missed five consecutive games (November 29 to December 7) due to a left quadriceps contusion suffered on November 26, 2025 vs. Houston (Warriors 3-2 in those games). He exited the game with 35.2 seconds remaining in the fourth quarter. An MRI confirmed a quadriceps contusion and muscle strain.

On March 15 at New York, for the eighth time (all this season), the Warriors played without Curry (right patellofemoral inflammation), **Draymond Green** (left low back injury management) and **Jimmy Butler III** (right ACL surgery), falling to 2-6 in those games. The Warriors' win at Cleveland (12/6) marked the first time Golden State won a game in which Curry, Green and Butler III did not play in. The eight games the trio did not play in: 11/5 at Sacramento, 11/19 at Miami, 12/6 at Cleveland, 1/2 vs. Oklahoma City, 1/26 at Minnesota, 2/22 vs. Denver, 3/13 vs. Minnesota, 3/15 at New York.

In 2024-25, Golden State was 25-20 in clutch games during the regular season, 1-0 in the play-in tournament and 3-1 in the playoffs.

January 19, 2026 - Stephen Curry was named a starter in the 75th NBA All-Star Game. It marks Curry's 12th career NBA All-Star nod (11th start), the most All-Star selections in Warriors franchise history, making him one of just 17 players in NBA history to make 12 All-Star appearances with a single franchise. The 2026 NBA All-Star Game will take place on Sunday, Feb. 15, at Intuit Dome in Los Angeles.

In the 2025 NBA All-Star Game at Chase Center in San Francisco, Curry was named the 2025 Kia NBA All-Star Game Kobe Bryant Most Valuable Player, becoming just the fourth player in NBA history to have won two NBA All-Star MVPs, two regular season MVPs and an NBA Finals MVP, along with LeBron James, Magic Johnson and Michael Jordan. Curry is one of only 15 players to win multiple NBA All-Star Game MVPs and the first in Warriors history to do so.

Curry, who has been voted a starter in 11 of his 12 All-Star selections, has been a part of NBA All-Star Weekend festivities in 13 of the previous 14 campaigns. Curry is the NBA All-Star Game's all-time leader in 3-point field goals (57) and ranks 10th on the all-time NBA All-Star Game scoring list (216 career points). Curry owns career averages of 19.6 points, 5.5 rebounds, 5.1 assists, 1.27 steals and 25.0 minutes in his 11 appearances in the All-Star Game (missed the 2023 game due to injury). He was previously named the 2022 All-Star Game Most Valuable Player after scoring a career-high 50 points and hitting an All-Star record 16 3-point field goals in Cleveland.

During All-Star 2024, Curry also competed in "Stephen vs. Sabrina," the first-ever NBA vs. WNBA 3-Point Challenge. He has previously participated in the 3-Point Contest seven times (2010, 2013-16, 2019, 2021)—winning the event in 2015 and 2021—in addition to the Shooting Stars Competition (2014 & 2015), the Rising Stars Challenge (2010 & 2011) and the Skills Challenge (won the event in 2011).
