LAST MEETING VS. LAKERS

WARRIORS 119, LAKERS 109

CRYPTO.COM ARENA, LOS ANGELES, CA

October 21, 2025 -- Jimmy Butler III tallied a team-high 31 points and Stephen Curry added 23 points to lead the Warriors to a 119-109 win over the Lakers, withstanding Luka Doncic's 43-point, 12-rebound, nine-assist performance in the opening game for both teams at Crypto.com Arena.

The Warriors used an 11-0 run to turn a two-point edge into a 15-point advantage, 73-58, with 7:17 left in the third quarter. The Lakers trimmed the Warriors' advantage down to nine early in the fourth quarter, but a 3-pointer by Buddy Hield and a layup by Draymond Green gave the Warriors a 14-point lead with 9:48 left and Golden State maintained a double-digit lead the rest of the way.

Butler made all 16 of his free throw attempts, setting a new franchise record for most free throws made in a season opener. Jonathan Kuminga and Hield each scored 17 points. Kuminga also recorded a career-high-tying four 3-pointers (seventh time), a game-high nine rebounds and six assists (one shy of his career high). For the Lakers, Austin Reaves had 26 points and Deandre Ayton tallied 10 points.

QUICK NOTES

Tonight at the Lakers, the Warriors look to make it two wins in a row after suffering home losses to Detroit and Philadelphia. The Warriors have won three of their last four road games.

This is the second of four regular season meetings between the two teams with the Warriors holding a 1-0 advantage. Golden State opened the 2025-26 season with a 119-109 win over the Lakers at Crypto.com Arena on October 21. The Warriors have won the last two meetings against the Lakers after losing the previous three. Golden State has won four of the last five meetings against the Lakers in Los Angeles, including the last two.

Following tonight's game at the Lakers, the Warriors return home to play two straight home games (Memphis on Monday and San Antonio on Wednesday) before heading into NBA All-Star Weekend. **Stephen Curry** is making his 11th start and 12th All-Star appearance in his career, both franchise records.

After **Jimmy Butler III** suffered a season-ending injury (1/19 vs. Miami), the Warriors have a 3-5 record (3-2 road).

On February 5 at Phoenix, the Warriors attempted a franchise-record 37 3-pointers in the first half, surpassing the 34 attempted in the second half on 11/23/22 vs. LA Clippers, according to the Elias Sports Bureau. The 20 3-point attempts the Warriors took in the first quarter at Phoenix matched a franchise record for any quarter, set on 11/23/22 vs. LA Clippers in the fourth quarter.

Pat Spencer scored a career-high 20 points, making a career-high six 3-pointers in the Warriors' 101-97 win at Phoenix in the last game. In his four starts this season, Spencer has scored in double figures in each and is averaging 14.6 points (49.1 FG%, 54.2 3P%, 4-4 FT), 5.0 rebounds, 5.4 assists, 1.4 steals in 30.2 minutes per game (Warriors 3-2 in those games, 0-1 home, 3-1 road).

Stephen Curry has the second-most 3-pointers made in the NBA this season with 175, trailing only Cleveland's **Donovan Mitchell** (178). Curry leads the NBA in 3-pointers made per game at 4.5; second Mitchell at 3.8.

According to NBA.com, the Warriors are tied with Toronto and Phoenix for sixth in defensive rating (112.3). Golden State is tied with Oklahoma City for third in steals per game (9.9), and ranked 10th in opponent scoring (113.6 ppg), tied with Philadelphia for ninth in opponent 3-point field goal percentage (35.4 3P%).

The Warriors reserves have scored at least 60 points 11 times this season, most recently on 1/28 at Utah (67). Twice Golden State's bench has accounted for a season-high 72 points, 1/17 vs. Charlotte and 1/20 vs. Toronto. The Warriors reserves are averaging 45.0 points per game, the second-most in the NBA, trailing only Memphis (46.4). Last season, the Warriors ranked third in bench scoring at 44.8 points per game.

Golden State has played in one clutch game in the last 14 contests; the last time coming on January 30 vs. Detroit (131-124 loss). That was the first clutch game for the Warriors in 13 contests and just the second in their last 16 games. The Warriors are 8-13 in clutch games (3-5 home, 5-8 road) in the 2025-26 season. Clutch games are games in which the score is within five in the final five minutes of the game. In 2024-25, Golden State was 25-20 in clutch games during the regular season, 1-0 in the play-in tournament and 3-1 in the playoffs.

Including this season, the Warriors are 51-32 in regular season games since **Jimmy Butler III** made his Warriors debut on February 8, 2025 at Chicago. The Warriors, when **Stephen Curry**, **Draymond Green** and **Jimmy Butler III** are in the lineup, have a 20-10 road record in the regular season (14-1 last season) and are 40-17 overall in regular season (18-12 in 2025-26; 22-5 in 2024-25).

40 FOR 30

On December 14 at Portland, **Stephen Curry** scored a game-high and season-high 48 points, one shy of his season high and his 75th 40-point game of his career. After turning 30 years old, Curry's 45 40-point games the most in NBA history, passing **Michael Jordan** (44). After turning 35 years old, Curry's 14 40-point games trails only **LeBron James** (15). Curry scored 46 points on 11/12 at San Antonio, marking the first time since 2022-23 he had two straight 40-point games (11/7/22 vs. SAC, 47 and 11/11/22 vs. CLE, 40).

On December 12 vs. Minnesota, **Stephen Curry** scored a game-high 39 points, the 94th time in his career he has scored 35 points or more since turning 30 years old, most in NBA history. Curry broke a tie with **Michael Jordan** (93). Currently, Curry has 97 35-point games after turning 30.

THE CURRY BROTHERS

With the Warriors signing **Seth Curry** on December 1, the Curry brothers are together on a regular season NBA roster for the first time in their careers. According to the Elias Sports Bureau, there have been over 40 brother combinations that have played on the same team all time, but this is the first time in Warriors franchise history that this has happened. This season, the only brothers to have played in at least one game this season on the same team is the Bucks - **Giannis** and **Thanasis** Antetokounmpo (**Alex** is also on the Bucks roster but has yet to play).

BACK-TO-BACKS

This season, Golden State has 16 sets of back-to-back games after having 14 last season. The Warriors are 6-4 in the first game of back-to-backs and 5-5 in the second game of back-to-backs this season. Golden State has swept two sets of back-to-backs, split seven and have been swept once in 2025-26. Of the 16 sets of back-to-backs, four are of the home-home variety, eight are on the road, three home-road sets and one road-home set. One of the back-to-back sets was created due to the January 24th game at Minnesota getting postponed. In 2024-25, the Warriors swept four sets of back-to-backs, split nine and were swept once., 9-5 in the first game and 8-6 in the second game.

Because the January 24th game at Minnesota was postponed and rescheduled to January 25, it created the Warriors' 10th set of back-to-backs this season and they are now scheduled for 16 sets this season, tied for the second-most with Charlotte, Denver, Philadelphia, Phoenix and Washington (Miami is first with 17 back-to-backs in 2025-26). The 16 sets would be the most for the Warriors since 2023-24 when they had 17. According to the Elias Sports Bureau, since 2000, the consecutive games at Minnesota on January 25 and 26 was the eighth instance of Golden State playing consecutive regular season games on consecutive days against the same opponent - the previous time was on October 29-30, 2024 vs. New Orleans. The last time it happened on the road was also against the Pelicans, on May 3-4, 2021 at New Orleans.

The Warriors now have the second-longest active home sellout streak, trailing only Miami. This season, Dallas had its sellout streak, the longest in league history, end at 1,005 games when the October 29 game vs. Indiana was not a sellout.

The Warriors' franchise-record home sellout streak, the sixth-longest in NBA history, is at 591 consecutive games (26 sellouts in 2025-26), regular season, play-in and playoffs. Entering the 2025-26 season, the Warriors had sold out 565 consecutive home games. The Warriors' current sellout streak ranks second among active streaks trailing only Miami (entered 2025-26 at 642).

The 2024-25 season was the 10th consecutive 82-game NBA season in which the Warriors sold out all of the team's 41 regular season home games. The current sellout streak only includes games which allowed a full-capacity crowd (18,064 at Chase Center). JANUARY HOMESTAND

The Warriors finished a stretch in which they played 10 of 11 games at home and never left the state from January 2 to 20 (the lone road game was on 1/5 at the Clippers). Golden State completed the eight-game homestand, tied for longest in franchise history (fourth time), with a 6-2 record. According to the Elias Sports Bureau, it was the fourth time the Warriors played eight consecutive games at home (1/24/11 – 2/9/11, 10/28/21 – 11/12/21, 12/25/22 – 1/10/23, 1/7/26 – 1/20/26). Prior to this season, the last time the Warriors had 10 of 11 games at home was 12/19/23 to 1/10/24. The last time the Warriors played 11 consecutive games without leaving the state was 1/7/11 to 2/9/11 when they had 16 consecutive games without leaving California.

In the month of January the Warriors have 11 home games, one shy of the franchise record of 12 home games played in a single month (November 2006 and March 2016). The last time Golden State played 11-or-more home games in a single month was last season when they had 11 games in January 2025. The most home games an NBA team plays in a single month during the 2025-26 regular season is 11, Golden State and Philadelphia, both in the month of January.
