DeVOS FAMILY CONTINUES TO GIVE BACK...

Nearly 35 years ago, shortly after acquiring the Orlando Magic franchise, Rich DeVos had one request – please don't call him the owner. "The real stake in the team is the community and people who are the fans who come to the games," DeVos said at the time. "We're just the caretakers of your team and we'll try to do a good job for you." On Aug. 21, as part of the Orlando Magic's continuing commitment to the Central Florida community, the team announced \$1,600,000 in grants to be distributed through the Orlando Magic Youth Foundation (OMYF) in five ways – a summer grant cycle, a winter grant cycle, microgrants, the Linda Landman Gonzalez Leadership Grant (LLG) and through professional development for grantees. The first set of grants (summer grant cycle) totaling nearly \$700,000 were distributed in surprise visits Aug. 18 – 22 to nonprofit organizations in Orange, Seminole, Osceola and Volusia counties assisting at-risk youth in Central Florida. Magic Community Ambassadors Nick Anderson and Bo Outlaw presented the 18 organizations an OMYF novelty check with the amount they will be granted and a bronze basketball keepsake at each of the visits. The second set of grant recipients (winter grant cycle) will be announced in February 2026 through surprise visits as well. In addition, the Magic will award microgrants throughout the season to smaller, up-and-coming local nonprofits to assist them in growing their organizations. This marks the 18th time the team has distributed at least \$1 million to the community with the Magic granting more than \$31 million over the past 36 years to local nonprofit community organizations through the OMYF.
