In the Bay Area, the Warriors have won 21 of the last 26, including nine of the last 10, against the Bulls.

Tonight's game vs. Chicago concludes the Warriors' 12th set of back-to-backs. The Warriors have a 6-5 record in the second game of back-to-backs. Golden State has split eight sets, including the last five, and have been swept once this season. This is the first and only away-home back-to-back set for the Warriors this season. This is the first of three sets of back-to-backs the Warriors have in a span of 13 days. According to the Elias Sports Bureau, the last time the Warriors had three back-to-back sets in 13 days was during the 2021-22 season (3/22 & 3/23, 3/27 & 3/28 and 4/2 & 4/3).

Head Coach Steve Kerr (599 career coaching wins) is one win away from 600 career coaching victories, becoming the 28th NBA coach to reach the milestone. Kerr is on pace to do so in the fourth-fewest games of any coach, behind only **Phil Jackson**, **Pat Riley** and **Gregg Popovich**. With a win tonight vs. Chicago, Kerr can join **Don Nelson** and **Phil Jackson** as the only coaches to earn their 600th career coaching win against a team they played for. Kerr is the franchise's all-time leader in coaching victories after eclipsing **Alvin Attles**' 557 wins last season. Kerr is 14 wins behind **Mike Dunleavy Sr.** (613 coaching wins), ranked 27th on the NBA all-time coaching wins list.

Stephen Curry has missed the last 14 games due to right patellofemoral pain syndrome. Curry last played on January 30 vs. Detroit. The Warriors are 9-16 this season without Curry in the lineup and 5-9 in this recent stretch. Following a recent re-evaluation, Curry will again be re-evaluated in 10 days (around March 11).

Last night at Utah, **Draymond Green** dished out 11 assists without recording a turnover, marking the sixth time in his career he's recorded at least 10 assists without a turnover. Since 1977-78, when individual turnovers were first officially tracked, Green's six games with 10-or-more assists and no turnovers are the second-most in Warriors franchise history, trailing only **Tim Hardaway**'s nine such games, according to the Elias Sports Bureau. Green snapped a tie with **Stephen Curry** (five career 10-assist, 0-turnover games).

After **Jimmy Butler III** suffered a season-ending injury (right ACL tear) on January 19 vs. Miami, the Warriors have a 7-13 record (2-7 home, 5-6 road).

According to NBA.com, the Warriors lead the league in 3-point attempts per game (45.4) and percentage of points from 3-pointers (42.4). Ranked third in assists (29.2), the Warriors lead the NBA in passes per game (339.5). Additionally, the Warriors are tied with Phoenix for second in steals per game (9.9 spg), tied with Toronto for fourth in forcing turnovers (16.0 tpg), tied with Utah for sixth in free throw percentage (80.0 FT%).

Including this season, the Warriors are 55-40 in regular season games since **Jimmy Butler III** made his Warriors debut on February 8, 2025 at Chicago. The Warriors, when **Stephen Curry**, **Draymond Green** and **Jimmy Butler III** are in the lineup, have a 40-17 overall in regular season (18-12 in 2025-26; 22-5 in 2024-25) and a 20-10 road record in the regular season (14-1 last season).

On February 28, the Warriors signed **Gui Santos** to a multi-year contract extension. On 3/7 at Oklahoma City, Santos recorded third career double-double (all this season) with a team-high and career-high 22 points and 11 rebounds, one shy of his career high. Santos has scored in double figures in 15 of the last 17 games (14.7 ppg, 53.6 FG% and 34.6 3P% in that span). In the last 17 games, Santos has scored at least 15 points 11 times. He has started 14 of the last 15 games.

The Warriors reserves have scored at least 60 points 11 times this season, most recently on 1/28 at Utah (67). Twice Golden State's bench has accounted for a season-high 72 points, 1/17 vs. Charlotte and 1/20 vs. Toronto. The Warriors reserves are averaging 44.1 points per game, the third-most in the NBA, trailing only Memphis (47.7) and Washington (44.8). Last season, the Warriors ranked third in bench scoring at 43.6 points per game.

On Thursday, February 5, the final day to make trades, the Warriors made two trades – acquired forward-center **Kristaps Porzingis** (KRIS-taps Por-ZING-is) from the Atlanta Hawks in exchange for guard **Buddy Hield** and forward **Jonathan Kuminga**; and traded center/forward **Trayce Jackson-Davis** to the Toronto Raptors in exchange for a 2026 second-round draft pick (via the Los Angeles Lakers).

On 2/3 vs. Philadelphia, the Warriors went 1-of-2 from the free throw line, matching a franchise low for both free throws made and attempted, set on January 30, 2016 at Philadelphia.

BACK-TO-BACKS

Tonight's game vs. Chicago concludes the Warriors' 12th set of back-to-backs. This is the first and only away-home back-to-back for the Warriors this season. This is the first of three sets of back-to-backs the Warriors have in a span of 13 days. According to the Elias Sports Bureau, the last time the Warriors had three back-to-back sets in 13 days was during the 2021-22 season (3/22 & 3/23, 3/27 & 3/28 and 4/2 & 4/3).

This season, Golden State has 16 sets of back-to-back games after having 14 last season. The Warriors are 6-6 in the first game of back-to-backs and 6-5 in the second game of back-to-backs this season. Golden State has swept two sets of back-to-backs, split eight and have been swept once in 2025-26. Of the 16 sets of back-to-backs, four are of the home-home variety, eight are on the road, three home-road sets and one road-home set. One of the back-to-back sets was created due to the January 24th game at Minnesota getting postponed. In 2024-25, the Warriors swept four sets of back-to-backs, split nine and were swept once., 9-5 in the first game and 8-6 in the second game.

Because the January 24th game at Minnesota was postponed and rescheduled to January 25, it created the Warriors' 10th set of back-to-backs this season and they are now scheduled for 16 sets this season, tied for the second-most with Charlotte, Denver, Philadelphia, Phoenix and Washington (Miami is first with 17 back-to-backs in 2025-26). The 16 sets would be the most for the Warriors since 2023-24 when they had 17. According to the Elias Sports Bureau, since 2000, the consecutive games at Minnesota on January 25 and 26 was the eighth instance of Golden State playing consecutive regular season games on consecutive days against the same opponent - the previous time was on October 29-30, 2024 vs. New Orleans. The last time it happened on the road was also against the Pelicans, on May 3-4, 2021 at New Orleans.

200 THREES IN A SEASON

Stephen Curry has made at least 200 3-pointers in a season an NBA record 12 times (**Klay Thompson** is second with 10 such seasons). Curry shares the NBA record for most consecutive seasons with at least 200 3-pointers with Thompson and **Buddy Hield**, each with seven consecutive seasons with 200-or-more 3-pointers. Should Hield make 200 3-pointers in 2025-26, he would hold the record for most consecutive 200 3-point seasons in NBA history.

Entering the 2025-26 season, the Warriors had sold out 565 consecutive home games. January 19, 2026 - Stephen Curry was named a starter in the 75th NBA All-Star Game. It marks Curry's 12th career NBA All-Star nod (11th start), the most All-Star selections in Warriors franchise history, making him one of just 17 players in NBA history to make 12 All-Star appearances with a single franchise. In the 2025 NBA All-Star Game at Chase Center in San Francisco, Curry was named the 2025 Kia NBA All-Star Game Kobe Bryant Most Valuable Player, becoming just the fourth player in NBA history to have won two NBA All-Star MVPs, two regular season MVPs and an NBA Finals MVP, along with LeBron James, Magic Johnson and Michael Jordan. Curry is one of only 15 players to win multiple NBA All-Star Game MVPs and the first in Warriors history to do so.

Curry, who has been voted a starter in 11 of his 12 All-Star selections, has been a part of NBA All-Star Weekend festivities in 13 of the previous 14 campaigns. Curry is the NBA All-Star Game's all-time leader in 3-point field goals (57) and ranks 10th on the all-time NBA All-Star Game scoring list (216 career points). Curry owns career averages of 19.6 points, 5.5 rebounds, 5.1 assists, 1.27 steals and 25.0 minutes in his 11 appearances in the All-Star Game (missed the 2023 game due to injury). He was previously named the 2022 All-Star Game Most Valuable Player after scoring a career-high 50 points and hitting an All-Star record 16 3-point field goals in Cleveland.

Golden State completed the eight-game homestand, tied for longest in franchise history (fourth time), with a 6-2 record. According to the Elias Sports Bureau, it was the fourth time the Warriors played eight consecutive games at home (1/24/11 - 2/9/11, 10/28/21 - 11/12/21, 12/25/22 - 1/10/23, 1/7/26 - 1/20/26). Prior to this season, the last time the Warriors had 10 of 11 games at home was 12/19/23 to 1/10/24. The last time the Warriors played 11 consecutive games without leaving the state was 1/7/11 to 2/9/11 when they had 16 consecutive games without leaving California.

In the month of January the Warriors have 11 home games, one shy of the franchise record of 12 home games played in a single month (November 2006 and March 2016). The last time Golden State played 11-or-more home games in a single month was last season when they had 11 games in January 2025. The most home games an NBA team plays in a single month during the 2025-26 regular season is 11, Golden State and Philadelphia, both in the month of January.

WARRIORS-TIMBERWOLVES GAME POSTPONED

NEW YORK, Jan. 24, 2026 - The National Basketball Association game scheduled for today between the Golden State Warriors and Minnesota Timberwolves at Target Center has been postponed. The decision was made to prioritize the safety and security of the Minneapolis community.

The game has been rescheduled for January 25 at 5:30 p.m. ET at Target Center.

LET'S PLAY TWO

For the second time this season the Warriors played a "baseball series" (two games in a row, same opponent, same location) on January 25 and 26 at Minnesota. The Warriors' first baseball series of the season was on November 12 and 14 when the Warriors faced the Spurs in San Antonio, marking the first time Golden State had a road "baseball series" since May 3 and 4, 2021, against the Pelicans at New Orleans. The Warriors were the only team in the NBA to not have such a series in each of the last two seasons.

LATE START

On Tuesday, October 28, the Warriors hosted the Clippers at Chase Center with a tipoff time of 8:00 p.m. PT., the latest start time for a home game for the Warriors since April 24, 1999 vs. Denver (8 p.m. PST), according to the Elias Sports Bureau. The second time the Warriors had a game with an 8 p.m. start time was on December 2 vs. Oklahoma City. The third and final time this season was on January 13 vs. Portland.

FROM 3

In four consecutive games (1/13 vs. Portland, 1/15 vs. New York, 1/17 vs. Charlotte, 1/19 vs. Miami), the Warriors had nine players make at least one 3-pointer matching an NBA record held by Oklahoma City (four straight, 2/2-2/10/24), according to the Elias Sports Bureau.

In three consecutive games (1/13 vs. Portland, 1/15 vs. New York, 1/17 vs. Charlotte), the Warriors had 10 players make at least one 3-pointer, becoming the first team with a three-game streak of that kind since the 3-point line was introduced in 1979-80, according to the Elias Sports Bureau.

The Warriors made 20-or-more 3-pointers in four consecutive games (1/13-1/19/26), matching an NBA record (Cleveland, 12/20-12/27/24 and Boston, 3/12-3/18/24).
