Orlando is 0-1 in overtime games (Nov. 7 @ Golden State, 124-119 loss). Last season, the Magic were 3-2, including a double overtime loss on Feb. 21, 2026 @ Phoenix. Orlando has had 16 games in franchise history end in double overtime. The Magic have played in triple overtime four times in team history (last time, Jan. 15, 2014 vs. Chicago, 128-125 loss).

OFFENSIVE BEHAVIOR…
Orlando is averaging 108.5 ppg. (1,193 points) this season. The Magic have scored 100+ points seven times (4-3 record), 110+ points five times (3-2 record) and 120+ points three times (2-1 record), including a season-high 125 points on Oct. 21 vs. Atlanta. Last season, Orlando averaged 115.7 ppg. (9,491 points).

Last season, Orlando scored 120+ points 33 times, the most times in franchise history.

STAY ON TARGET…
Orlando is shooting .448 (422-943) from the floor. The Magic have shot 50 percent-or-better from the field once (1-0 record), including a season-high .527 (39-74) on Oct. 30 @ Toronto. Last season, Orlando shot .464 (3,363-7,244) from the floor and shot 50 percent-or-better 26 times (23-3 record).

Since the 2019-20 season, Orlando is 102-15 (.872) when shooting 50 percent-or-better from the field. In fact, since the 2008-09 campaign, the Magic are 242-56 (.812) in those situations.

****MAGIC TRICKS – PUT IT UP****
On Nov. 7 @ Golden State, Orlando was 43-of-113 from the field. The 113 field goal attempts ties the franchise record for most in a game. The Magic also had 113 field goal attempts on Nov. 27, 1990 @ Denver and Nov. 9, 1994 @ Charlotte (in overtime).

THREE'S COMPANY…
The Orlando Magic have made at least one three-point field goal in 1,550 consecutive games, dating all the way back to Mar. 17, 2007 (last game without a three-pointer: Mar. 14, 2007 vs. Utah, 0-for-9). It stands as the fifth-longest active streak in the NBA and fifth-longest streak in NBA history. The Phoenix Suns have connected on at least one three-pointer in 1,787 games dating back from Mar. 29, 2004, the longest streak in NBA history. The last time an NBA team did not make a three-pointer was Feb. 5, 2016, when Miami went 0-for-9 @ Charlotte.

Orlando is shooting .341 (151-443) from three-point range. The Magic made 10+ three-pointers 10 times (4-6 record), including a season-high 18 trifectas four times, the last on Nov. 11 @ Utah. Last season, Orlando shot .343 (961-2,799) from three-point range.

****MAGIC TRICKS – DIALING LONG DISTANCE****
On Feb. 19, 2026 @ Sacramento, the Orlando Magic were 27-of-50 from three-point range, setting a new franchise record for most three-pointers made in a game. It was the ninth time in franchise history that Orlando made 20+ three-pointers in a game. Amazingly, three of the top four three-point shooting performances in Magic history have all come at Sacramento:

THREE-POINT FIELD GOALS MADE	DATE/OPPONENT
27	***FEB. 19, 2026 @ SACRAMENTO***
25	Jan. 3, 2024 @ Sacramento
23	Apr. 10, 2022 vs. Miami
23	Jan. 13, 2009 @ Sacramento
22	Mar. 30, 2024 vs. Memphis

Orlando also recorded 20+ three-pointers in back-to-back games for the first time in team history. On Feb. 11, 2026 vs. Milwaukee, the Magic went 20-of-47 from beyond the arc. It marks the 79th time in NBA history that a team has made 20+ three-pointers in consecutive outings. A streak of three-or-more consecutive games with 20+ three-pointers has only happened nine times in NBA history.

****MAGIC TRICKS – FROM DOWNTOWN****
On Nov. 7 @ Golden State, Orlando went 18-of-54 from three-point range. The 54 three-point attempts are the second-most all-time, only to 58 3FGAs on Apr. 10, 2022 vs. Miami. The Magic have attempted 50+ three-point shots only six times in team history.

G LEAGUE GOSSIP…

The Osceola Magic, Orlando's NBA G League affiliate, improved to 2-0 during the NBA G League Tip-Off Tournament with a 101-98 win on Nov. 10 @ Memphis. Malaki Branham led the Magic with a career-high 30 points. Osceola's next game is Nov. 12 vs. Mexico City.

Last season, Osceola finished the regular season with a record of 26-10, was the #1 seed during the 2026 NBA G League Playoffs for the third straight season and reached the Eastern Conference Final for the second consecutive time. Osceola completed the 2025-26 Tip-Off Tournament with a record of 8-6 before records were reset. The Magic play their home games at Osceola Heritage Park at Silver Spurs Arena.

Since relocating on April 11, 2023, Osceola has compiled a 70-34 regular season record (.673), reached the Eastern Conference Final twice and advanced to the 2025 NBA G League Finals. The Magic captured the 2021 NBA G League championship, defeating Delaware in the title game on Mar. 11, 2021, 97-78.

The NBA G League schedule will continue to be divided into two parts: 14-game Tip-Off Tournament, followed by a 36-game regular season. All 31 NBA G League teams will compete in at least 50 games during the 2026-27 season.

The Tip-Off Tournament, which marks the start of the 2026-27 season, begins on Friday, Nov. 6 and culminates when a champion is crowned during the 2026 NBA G League Winter Showcase in December. For the Tip-Off Tournament, teams are placed into four regions to play 14 games exclusively against each other. The teams with the best winning percentage in each region, along with the next four teams with the best winning percentages regardless of region, will advance to compete for the Championship at the NBA G League Winter Showcase. Every team will play at least two games at the Winter Showcase.

Following the Tip-Off Tournament, team records will reset before the 36-game regular season, which begins at the Winter Showcase. At the conclusion of the regular season, the top eight teams in each conference will qualify for the NBA G League Playoffs, which conclude with the NBA G League Finals in April 2027.

DeVOS FAMILY CONTINUES TO GIVE BACK…
Nearly 35 years ago, shortly after acquiring the Orlando Magic franchise, Rich DeVos had one request – please don't call him the owner. "The real stake in the team is the community and people who are the fans who come to the games," DeVos said at the time. "We're just the caretakers of your team and we'll try to do a good job for you." On Aug. 21, as part of the Orlando Magic's continuing commitment to the Central Florida community, the team announced $1,600,000 in grants to be distributed through the Orlando Magic Youth Foundation (OMYF) in five ways – a summer grant cycle, a winter grant cycle, microgrants, the Linda Landman Gonzalez Leadership Grant (LLG) and through professional development for grantees. The first set of grants (summer grant cycle) totaling nearly $700,000 were distributed in surprise visits Aug. 18-22 to nonprofit organizations in Orange, Seminole, Osceola and Volusia counties assisting at-risk youth in Central Florida. Magic Community Ambassadors Nick Anderson and Bo Outlaw presented the 18 organizations an OMYF novelty check with the amount they will be granted and a bronze basketball keepsake at each of the visits. The second set of grant recipients (winter grant cycle) will be announced in February 2026 through surprise visits as well. In addition, the Magic will award microgrants throughout the season to smaller, up-and-coming local nonprofits to assist them in growing their organizations. This marks the 18th time the team has distributed at least $1 million to the community with the Magic granting more than $31 million over the past 36 years to local nonprofit community organizations through the OMYF.

ABOUT THE ORLANDO MAGIC…
Orlando's NBA franchise since 1989, the Magic's mission is to be world champions on and off the court, delivering legendary moments every step of the way. Under the DeVos family's ownership, the Magic have seen great success in a relatively short history, winning eight division championships (1995, 1996, 2008, 2009, 2010, 2019, 2024, 2025) with seven 50-plus win seasons and capturing the Eastern Conference title in 1995 and 2009. Off the court, the Orlando Magic give more than $3 million to the local community by way of sponsorships of events, donated tickets, autographed merchandise and grants. Orlando Magic community relations programs impact an estimated 100,000 kids each year, while the team's staff-wide Magic Volunteer Program (MVP) provides more than 7,000 volunteer hours annually. In addition, the Orlando Magic Youth Foundation (OMYF) which serves at-risk youth, has distributed nearly $33 million to local nonprofit community organizations over the last 37 years. The Magic's other entities include the team's NBA G League affiliate, the Osceola Magic 2021 NBA G League champions, and the Orlando Solar Bears of the ECHL, which serves as the affiliate to the NHL's Tampa Bay Lightning. The Magic play their home games at the award-winning Kia Center – voted by fans no. 1 in the NBA for game experience; honored with TheStadiumBusiness Awards' Customer Experience Award; named SportsBusiness Journal's Sports Facility of the Year; and awarded the Venue Excellence Award (VEA) by the International Association of Venue Managers.
