QUICK NOTES

The Warriors are currently 10th in the Western Conference, 1.5 games behind ninth-place Portland. The SoFi Play-In Tournament runs from April 14-17; Playoffs begin on April 18.

Tonight at Dallas is the sixth and final game of the Warriors' six-game road trip (1-4). The six consecutive road games are tied for the most consecutive road games this season (Nov. 11-19). The Warriors look to end their three-game losing streak, having lost eight of the last nine games.

The Warriors just finished a stretch in which they played three back-to-back sets in a span of 13 days (3/9 & 3/10, 3/15 & 3/16 and 3/20 & 3/21). According to the Elias Sports Bureau, the last time the Warriors had three back-to-back sets in 13 days was during the 2021-22 season (3/22 & 3/23, 3/27 & 3/28 and 4/2 & 4/3).

Tonight's game concludes the regular season series between the Warriors and Mavericks. The season series is tied, 1-1, after the Mavericks won the last meeting, 123-115, on 1/22 at Dallas. The Warriors won the first meeting, 126-116, on Christmas Day at Chase Center. The Mavericks have won eight of the last nine meetings in Dallas against the Warriors, including the last four. The last time the Warriors won in Dallas was on 3/22/23 (127-125).

Last night at Detroit, the Warriors used the same starting lineup as the previous game (March 18 at Boston), ending a streak of using a unique starting lineup at 13 games, the second-longest such streak by any team this season (Memphis, 16). It was also the second-longest such streak in Warriors franchise history since 1970-71 when starters were first officially tracked, trailing a 14-game streak from Feb. 18–March 19, 2009, according to the Elias Sports Bureau. This season the Warriors have deployed 36 different starting lineups.

Six times in the last 10 games the Warriors have had a clutch game (games in which the score is five points or less and there is five-or-fewer minutes left in the game). The last clutch game for the Warriors was on March 16 at Washington, (125-117). Golden State is 13-18 overall and 8-12 on the road in clutch games this season.

Stephen Curry has missed the last 21 games due to right patellofemoral pain syndrome. Curry last played on January 30 vs. Detroit. The Warriors are 10-22 this season without Curry in the lineup and 6-15 in this recent stretch. Re-evaluated on March 21, Curry continues to progress and will be incorporated into live action and team practices in the coming days. He will be re-evaluated again once the team completes this six-game road trip.

After **Jimmy Butler III** suffered a season-ending injury (right ACL tear) on January 19 vs. Miami, the Warriors have an 8-19 record (2-9 home, 6-10 road).

According to NBA.com, the Warriors are ranked second in 3-point makes (16.0) and first in 3-point attempts per game (45.0) and second for percentage of points from 3-pointers (41.8). Ranked third in assists (29.1), the Warriors lead the NBA in passes per game (340.8). Additionally, the Warriors are tied with Phoenix for second in steals per game (9.8 spg), fifth in forcing turnovers (16.0 tpg), seventh in free throw percentage (80.3 FT%).

Including this season, the Warriors are 56-46 in regular season games since **Jimmy Butler III** made his Warriors debut on February 8, 2025 at Chicago. The Warriors, when **Stephen Curry**, **Draymond Green** and **Jimmy Butler III** are in the lineup, have a 40-17 overall in regular season (18-12 in 2025-26; 22-5 in 2024-25) and a 20-10 road record in the regular season (14-1 last season). Without the trio in the lineup, the Warriors are 2-6 all-time (all this season).

On March 16, with the 125-117 win at Washington, Head Coach **Steve Kerr** earned his 600th career regular season coaching win, becoming the 28th NBA coach to reach the milestone and needing the fourth-fewest games (943) in NBA history, behind only **Phil Jackson** (805), **Pat Riley** (832) and **Gregg Popovich** (887). Kerr is the franchise's all-time leader in coaching victories after eclipsing Alvin Attles' 557 wins last season. Kerr is 13 wins behind **Mike Dunleavy Sr.** (613 coaching wins), ranked 27th on the NBA all-time coaching wins list. The night before, "All the Empty Rooms," a documentary film about the victims of school shootings, which Kerr served as an executive producer, won an Oscar. Kerr (2026) joined **Kobe Bryant** (2018), **Stephen Curry** (2022), **Shaquille O'Neal** (2022) as the only NBA players to have won an Oscar.

On 2/3 vs. Philadelphia, the Warriors went 1-of-2 from the free throw line, matching a franchise low for both free throws made and attempted, set on January 30, 2016 at Philadelphia.

He exited the game with 35.2 seconds remaining in the fourth quarter. An MRI confirmed a quadriceps contusion and muscle strain.

On March 15 at New York, for the eighth time (all this season), the Warriors played without Curry (right patellofemoral inflammation), **Draymond Green** (left low back injury management) and **Jimmy Butler III** (right ACL surgery), falling to 2-6 in those games. Porzingis is the first Warriors player since **Marreese Speights** (32 points, three blocks on 2/10/14 vs. PHI) to record at least 30 points and three blocks off the bench.

ÖMER YURTSEVEN SIGNED TO 10-DAY CONTRACT

Yurtseven, who has played three NBA seasons - two with Miami (2021-22 and 2022-23) and one with Utah (2023-24), recently played for Houston Rockets G League affiliate Rio Grande Vipers. Signed with Rio Grande on March 4, 2026, he appeared in three games (all starts) this season, averaging 23.0 points (56.9 FG%), 13.3 rebounds and 1.7 assists in 29.7 minutes per game. The 6'11" center owns career NBA averages of 5.0 points, 4.6 rebounds and 11.8 minutes in 113 games (24 starts) over three seasons. This season, the only brothers to have played in at least one game this season on the same team is the Bucks - **Giannis** and **Thanasis** Antetokounmpo (**Alex** is also on the Bucks roster but has yet to play).

BACK-TO-BACKS

The March 20 & 21st games at Detroit and Atlanta, respectively, was the third of three sets of back-to-backs the Warriors played in a span of 13 days (3/9 & 3/10, 3/15 & 3/16 and 3/20 & 3/21). According to the Elias Sports Bureau, the previous instance the Warriors had three back-to-back sets in 13 days was during the 2021-22 season (3/22 & 3/23, 3/27 & 3/28 and 4/2 & 4/3).

This season, Golden State has 16 sets of back-to-back games after having 14 last season. The Warriors are 6-8 in the first game of back-to-backs and 7-7 in the second game of back-to-backs this season. Golden State has swept two sets of back-to-backs, split nine and have been swept three times in 2025-26. Of the 16 sets of back-to-backs, four are of the home-home variety, eight are on the road, three home-road sets and one road-home set. One of the back-to-back sets was created due to the January 24th game at Minnesota getting postponed. In 2024-25, the Warriors swept four sets of back-to-backs, split nine and were swept once., 9-5 in the first game and 8-6 in the second game.

Because the January 24th game at Minnesota was postponed and rescheduled to January 25, it created the Warriors' 10th set of back-to-backs this season and they are now scheduled for 16 sets this season, tied for the second-most with Charlotte, Denver, Philadelphia, Phoenix and Washington (Miami is first with 17 back-to-backs in 2025-26). The 16 sets would be the most for the Warriors since 2023-24 when they had 17. According to the Elias Sports Bureau, since 2000, the consecutive games at Minnesota on January 25 and 26 was the eighth instance of Golden State playing consecutive regular season games on consecutive days against the same opponent - the previous time was on October 29-30, 2024 vs. New Orleans. The last time it happened on the road was also against the Pelicans, on May 3-4, 2021 at New Orleans.

SELLOUT STREAK

The Warriors now have the second-longest active home sellout streak, trailing only Miami. This season, Dallas had its sellout streak, the longest in league history, end at 1,005 games when the October 29 game vs. Indiana was not a sellout.

The Warriors' franchise-record home sellout streak, the sixth-longest in NBA history, is at 599 consecutive games (34 sellouts in 2025-26), regular season, play-in and playoffs. Entering the 2025-26 season, the Warriors had sold out 565 consecutive home games. The Warriors' current sellout streak ranks second among active streaks trailing only Miami (entered 2025-26 at 642).

The 2024-25 season was the 10th consecutive 82-game NBA season in which the Warriors sold out all of the team's 41 regular season home games. The current sellout streak only includes games which allowed a full-capacity crowd (18,064 at Chase Center). Following the 2024-25 regular season, the Warriors have sold out one play-in tournament game and four playoff games.

CURRY AN ALL-STAR STARTER AGAIN

January 19, 2026 - Stephen Curry was named a starter in the 75th NBA All-Star Game. It marks Curry's 12th career NBA All-Star nod (11th start), the most All-Star selections in Warriors franchise history, making him one of just 17 players in NBA history to make 12 All-Star appearances with a single franchise. The 2026 NBA All-Star Game will take place on Sunday, Feb. 15, at Intuit Dome in Los Angeles.

In the 2025 NBA All-Star Game at Chase Center in San Francisco, Curry was named the 2025 Kia NBA All-Star Game Kobe Bryant Most Valuable Player, becoming just the fourth player in NBA history to have won two NBA All-Star MVPs, two regular season MVPs and an NBA Finals MVP, along with LeBron James, Magic Johnson and Michael Jordan.
